Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Thursday 23 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with rain in west, dry and brighter east.

Today:
A mostly cloudy day, some rain at times across the west. The east will be mainly dry with some sunshine breaking through. Strong winds soon easing down in the morning. Maximum temperature 17 deg C (63 deg F).

Tonight:
A cloudy evening with some light rain or drizzle, parts of east Tayside and Fife staying dry with a few clear spells. Drier by dawn with a few cloud breaks. Minimum temperature 12 deg C (54 deg F).

Friday:
Some early cloud but becoming a dry and bright day and feeling warm in the sunshine especially around Dundee, still quite breezy during the day. Maximum temperature 20 deg C (68 deg F).

Outlook for Saturday to Monday:
A lot of dry and bright weather expected at the weekend, feeling warm in any sunshine, perhaps a little rain on Saturday morning. Wet and windy Monday morning, brighter later.
